

# TEAM COACH PROFILE

## Carl Plunkett Team Coach

Carl has over 18 years of experience collaborating with senior leadership teams at Premier League Category 1 football academies. His role has involved working with key stakeholders, including the Football Association, Premier League, PFA, and various football club ownership groups.

Throughout his career in high-performance environments, Carl has led teams of over 45 elite professionals across multiple sports disciplines. His expertise has been shaped by working alongside globally recognized leaders in the sports industry, as well as his commitment to continuous development through academic studies and accredited high-performance qualifications.

Most recently, Carl was selected through a rigorous process to participate in an 18-month high-performance learning program with the Football Association, culminating in the achievement of the UEFA Professional Licence, the highest coaching qualification in football.

At the core of Carl's career is a passion for people development. He has consistently guided individuals and teams through a process of curiosity, creativity, and agility to help them reach their full potential.
