

# TEAM COACH PROFILE

## Laura Guerrieri

Laura is a Team Coach specialising in coaching senior and emerging leadership teams in global, diverse companies. Laura has spent the majority of her career developing and helping professionals to be better leaders, communicators, contributors and overall – better people.

Laura has 20+ years of corporate HR experience at industry-leading, global corporations including IBM and Goldman Sachs in the United States, China and the Middle East & Africa. Laura began coaching to fuel her passion of helping people and teams to overcome personal and professional challenges to be and do better.

As a coach, Laura partners with clients to think and act differently to meet their goals while catering to their preferred style. Coaching picks up where personal reflection ends – challenging teams to take their own insights further to unlock and empower possibilities and potential.
